## **ORDERING INFORMATION:**

#### What should I order?

For instructions on what container to use and how to collect and submit the sample please consult the BCCDC Public Health Laboratory *eLab Handbook* at http://www.elabhandbook.info/PHSA/Default.aspx.

#### How do I order?

Using this Sample Container Order Form please either email the request to kitorders@hssbc.ca OR fax request to (604) 707-2606

- Please order in single units;
- Please DO NOT order in pads, bags, packs, flats, trays, boxes or cases (unless ordering the Serology Screening requisition which is available in a 50-page pad).

# How many should I order?

When ordering please keep in mind the following:

• A lot of sample containers have components that have a short shelf-life and therefore have expiry dates. Please order according to your needs instead of "stock-piling".
